# 💡 Step 1. 註冊 GitHub 帳號：<https://github.com/>

The screenshot shows the GitHub homepage with a dark blue background and stylized clouds. At the top, there is a navigation bar with links for Platform, Solutions, Resources, Open Source, Enterprise, and Pricing. A search bar and 'Sign in'/'Sign up' buttons are on the right. Below the navigation bar, there is a purple button that says 'Explore the latest tools from Universe '25'. The main heading reads 'The future of building happens together'. Below this, a subheading states: 'Tools and trends evolve, but collaboration endures. With GitHub, developers, agents, and code come together on one platform.' At the bottom, there are three input fields: 'Enter your email', 'Sign up for GitHub', and 'Try GitHub Copilot free'. A red rectangular box highlights the 'Enter your email' and 'Sign up for GitHub' fields. Below the red box, there is a yellow text overlay with a star icon that reads: '務必使用學校 E-mail 帳號： e.g. @mail.ntou.edu.tw or @email.ntou.edu.tw'.

## 💡 Step 2. 申請加入 GitHub Education : <https://github.com/education>

The screenshot shows the GitHub Education landing page. The main heading is "Empowering the next generation of developers". Below it, a subheading states: "GitHub Education bridges the gap between coding education and a tech career, and is accessible to everyone globally at no cost." A red box labeled "1" highlights the "Join GitHub Education" button. An orange arrow points from this button to a white sign-in overlay on the right. The overlay is titled "Sign in to GitHub" and contains a red box labeled "2" around the title. It has two input fields: "Username or email address" with the placeholder "???????@mail.ntou.edu.tw" and "Password" with masked characters "\*\*\*\*\*". A red box labeled "3" highlights the green "Sign in" button. Below the sign-in button are options to "Continue with Google" and "Continue with Apple", and a link for "New to GitHub? Create an account". At the bottom of the overlay is a link for "Sign in with a passkey". The background of the page features a stylized illustration of a green building with a blue dome and a flag.

If you are renewing your membership please be aware that some of our partner offers are single-use and non-renewable, and that you should contact the partner directly if you have any questions.

# 💡 Step 6. 登入 GitHub 並確認 GitHub Copilot Pro 已開通：

The screenshot shows the GitHub Copilot Pro dashboard. At the top, there's a search bar and navigation icons. The main heading is "GitHub Copilot". Below it, a notification box with an orange circle containing the number "2" states: "GitHub Copilot Pro is active for your account". The text continues: "You currently have an active [Copilot Pro subscription](#). Get started by installing the extension in your preferred environment." Below this are four buttons: "Copilot in your IDE" (green), "Copilot CLI", "Chat in GitHub Mobile", and "More features".

Under the "Usage" section, there's a "Premium requests" bar chart. Below the chart, a note says: "Please note that there may be a delay in the displayed usage percentage. The premium request entitlement for your plan will next month. To enable additional premium requests, [update your Copilot premium request budget](#)."

At the bottom, there's a "Features" section. On the right side, a user menu is open, showing options like "Set status", "Profile", "Repositories", "Stars", "Gists", "Organizations", "Enterprises", "Sponsors", "Settings", "Copilot settings" (highlighted with an orange circle and number "1"), "Feature preview", "Appearance", "Accessibility", "Try Enterprise" (with a "Free" badge), and "Sign out".
